

# Resume

## Work Experience

June 2024 Present	Molecular Geneticist
June 2022 April 2024	Researcher
February 2020 June 2022	Research Assistant
September 2018 December 2018	Teaching Assistant
September 2018 December 2018	Demonstrator
September 2017 December 2017	Demonstrator

## Education

February 2018 September 2019	Molecular Genetics   M.Sc.
February 2013 January 2017	Molecular & Cellular Biology   B.Sc.

## Skills & Expertise

- DNA & RNA Extraction
- PCR & qRT-PCR
- Gel Electrophoresis
- SSCP
- Sequencing
- 2d & 3D Cell Culture Techniques
- Transformation Methods
- Study Design Methodologies
- Scientific Writing Practices
- Bioinformatics Analysis, including Primer Design, Molecular Docking, & Gene Cloning
